

# Charting Champions Program For Physicians

As a Physician, you bring enormous value to the health care system, however, charting and paperwork can be a significant factor to your mental load.

The Charting Champions Program helps Physicians:

- ✓ Improve your ability to get home with today's work done today.
- ✓ Create time for your evenings and weekends.
- ✓ Reduce mental load, dread and mental overwhelm of your clinical days.

**Cost:** \$2900 CAD/ \$2300 USD)  
for lifetime access

**CME Credits:** 5 accredited Mainpro points or 100+ AMA PRA Category 1 credits via CMEfy (one credit per hour in the program with CMEfy).

Charting Coach | Sarah Smith, MD

## WHAT'S INSIDE THE PROGRAM

### ON-DEMAND VIDEO MODULES

**Charting:** Learn effective strategies to complete your charting after every consultation.

**Consultation:** Learn to examine and lead the consultation, identify inefficiencies and develop strategies to optimize time management within clinical encounters.

**Inboxes and Results:** Time management and productivity strategies to complete today's work today.

**Interruptions:** Improve clinical day efficiency by managing your interruptions and distractions.

**Forms:** Learn the tools that help you reduce the drama and complete your forms efficiently.

**Backlog and Intentional Homework:** Learn strategies to help you take care of your backlog and yourself.

### LIVE COACHING AND SUPPORT

**Weekly Live Group Coaching Calls** to get specific help with anything you are struggling with.

**Private Facebook Community** for daily assistance and supports from coaches and other physicians.

**Additional Guest Coach** each month to discuss other relevant topics for physicians.
